

## College Yokums Will Adopt Unusual Dress for Sadie Hawkins Chase

### Ag Club Says Kiss Date or Get a Goat

### Barnwarming Dance Style Offers Unique Thrill For Participants.

The annual Barnwarming of the Ag Club to be held December 9 will be quite an unusual affair, especially in regard to the issuance of invitations. The boys will date in advance, but their dates will not actually accept the invitation until the night before the party.

On that night, the boys will go around to see the girls in wagons pulled by tractors and teams of horses. The invitations will be given to the girls and they may accept by either kissing the boy or a goat, which will be in the wagon.

Dress for the affair will be purely country style for both boys and girls. The setting will be in Room 114 in the Ag Building and will be decorated with hay and corn stalks. Every effort to make the room resemble a barn will be made. The program will feature both round and square dancing, with suitable music being furnished.

Committees for the event are as follows: Kenny Benham, chairman, Russel Terhune, Max Miller, food, Ross Wilson, chairman, Don Gregory, Bob Williams, Don French, Bob Waske, Howard Brienbucher, Billy Baber, Don Draeff, Bob Burr, Billy Pease, Bill Cain, decorations. Delbert Gabbert, chairman, Don Grace, Charles Hinchey, Herschel Nelson, Gene Huston, Nowell Miller, Laverne Meek, program; Jim Montague, chairman, Frank Bollinger, Jim Thompson, Lamar Esbeck, invitation and publicity.

From all indications, the barnwarming will be an event long-remembered by those who attend.

### Faculty Honors Guests Here for Religious Week

The Religious Emphasis Week speakers were entertained at a dinner by the NWMSG faculty, Monday, November 5, at Residence Hall. The honored guests were Dr. Huston Smith, speaker of the evening, Dr. Carl C. Bracy, and Reverend Maur Burbach, who conducted the daily assemblies, seminars, and personal conferences on the campus Monday through Thursday.

Dinner arrangements were under the general chairmanship of Miss Martha Lock. Committees were as follows: program, Dr. Gordon Strong; toastmaster, Dr. Harry Dildine; hosts and hostesses, Mr. and Mrs. W. T. Garrett, Dr. Irene Mueller, and Miss Katherine Franklin; food and table decorations, Miss Chloe Millikan and Miss Hatfield Houpp; and tickets, Mr. Leslie White.

### Alice Marble, Expert Tennis Player, Conducts Clinic Here

Alice Marble, one of the greatest tennis players the world has ever known, will speak here Wednesday, December 6, at 10 a. m., according to Dr. Sterling Surrey, chairman of the assembly committee.

She will conduct a tennis clinic in the afternoon. Dr. Frank Grube, chairman of the English department and expert tennis player, and Miss Bonnie Magill, acting chairman of the women's physical education department, will be in charge of arrangements.

Miss Marble no longer plays competitive tennis, but she does play in popular exhibition matches in this country and abroad. Last year she went to England and Sweden with Don Budge and Bobby Riggs to play exhibition matches in both countries.

**Promotes Tennis**  
The King of Sweden asked her to come to his country in order to revive interest in post-war tennis. The King, royalty's most ardent tennis player and fan, is "very keen" to help youngsters in his own country, Miss Marble says, and she spent months teaching "young hopefuls" the fundamentals of American tennis.

England has more good tennis players than we have in the United States, she believes, but fewer great "stars" of the court. It was to help and develop "star material" that Miss Marble went to England last year.

**Has Four Careers**  
The tennis champion really has about four careers. She not only plays exhibition tennis, but she also gives about one hundred lectures a year, writes at least twenty-four articles a year for one magazine and contributes pieces regularly to half a dozen other publications, and is one of the leading designers of sports clothes for women in the country.

Miss Marble's climb to the top as tennis champion—she won six major championships in a single year

### These Distinguished Seniors Receive High Recognition

Each year "Who's Who Among Students in American Universities and Colleges" honors seniors of Northwest Missouri State. Fourteen have been selected to have their names in this year's publication. They are, in the first row, left to right: Diana Yip, Pauline Cramer, Delora Reed, Mary Marie Schulte, Joyce Smith, Agneta Wohlfahrt. Second row: Robert Tobow, Gaylord Meyers, Robert Guthland, John Hellerich, Max Kinney, Wilbur Pollard, Gean Porter, Jim Pool.

### Fourteen Seniors Are Selected by "Who's Who" for Listing in Annual Book Publication

#### Dr. Donald F. Drummond Visits College Campus

Dr. Donald F. Drummond, director of the Program for the Improvement of Instruction, from the University of Missouri, Columbia, was on the campus Thursday, November 9. Dr. Drummond is being sponsored on the University campus by the Carnegie Foundation.

At 11 a. m. he spoke to Study Group No. 7 in the office of Dean W. A. Brandenburg. Those in the meeting were Mr. R. T. Wright, chairman, Miss Katherine Franklin, Miss Ann Arnold, Mr. David Crozier, Mr. Elwyn DeVore, Mr. James Johnson, Miss Mary Keith, Dr. Leon Miller, and Miss Grace Shepherd.

At 1 p. m. he spoke to Study Group No. 2 composed of Miss Dorothy Hall, chairman, Miss Effie Mae Morrey, Mr. Herbert Dieterich, Dr. Joseph A. Dreps, Mr. Steven Kyrilas, Miss Anita Rice, Dr. J. Gordon Strong, and Miss Rachael Taul.

Dr. Drummond spoke to the entire faculty at a meeting at 2 p. m. He discussed activities on other campuses which he had visited in Missouri.

Additional speaking appointments were at the Lions Club in Maryville at noon and at the weekly seminars for student teachers at 4 p. m.

#### Qualities for Recognition Are Character, Social Life, Scholarship.

Senior students for the 1950-51 edition of "Who's Who Among Students in American Universities and Colleges" have been selected. They are as follows: Polly Cramer, Bob Guthland, John Hellerich, Max Kinney, Gaylord Meyers, Wilbur Pollard, Jim Pool, Gean Porter, Delora Reed, Mary Schulte, Joyce Smith, Bob Tobow, Agneta Wohlfahrt, Diana Yip.

They are well known as actors, athletes, writers, officers of clubs, student senators and honor students. During their four years of college life they have been leaders in college activities.

**Iva Pauline Cramer**  
This vocational home economics major was born June 19, 1929. She is the daughter of Mr. and Mrs. L. T. Cramer of Pasadena, Texas.

In 1948 Polly was Miss Maryville; in 1949 she was president of the Alpha Sigs, vice president of Pan Hellenic Council and a member of the Residence Hall council.

This year Polly is president of the Green and White Peppers, registrar of Alpha Sigs, and corresponding secretary of Kappa Omicron Phi.

She was a delegate to the Alpha National Convention last year. Her hobbies are designing, sewing and singing.

**Robert Edward Guthland**  
Bob, son of Elizabeth and Edward Guthland of St. Louis, was born October 19, 1927. He is working on a mathematics major and general science minor.

His college activities include the following: treasurer and parliamentarian of Student Senate; chairman of student social committee; reporter of Kappa Delta Pi, vice president of Phi Sigma Epsilon, editor of "Bearcat's Tale," Math Club, Barkate, and Northwest Missourian staff.

While spending two years in the navy, he traveled in China, Japan, Hawaii and Okinawa.

His hobbies are meeting people, hunting, reading and dancing.

**John Henry Hellerich**  
Born May 15, 1929, John is the son of Mr. and Mrs. Charles Hellerich of St. Joseph. His majors include social science, history and geography.

Football Player Hellerich is vice president of "M" Club and a member of Kappa Delta Pi fraternity.

**Max Williams Kinney**  
Student Body President Kinney, son of Mr. and Mrs. J. Hermon Kinney, was born April 27, 1928, at Mound City. He is majoring in chemistry and mathematics.

His positions have been secretary of Sig Taus (1949) vice president of Math Club (1949) and a member of the Student Senate.

Max served with the Army in the China Theater of Command. His favorite recreation is hunting.

**Gaylord Dean Meyers**  
Better known as "Whitley" this senior is the son of Mr. and Mrs. Hugo C. Meyers of Atlantic, Iowa. He was born November 28, 1928. He is majoring in physical education and business.

Last year Gaylord Dean Meyers was president of the Junior Class; this year he is president of Kappa Delta Pi, a pledge to Pi Omega Pi, and a member of the "M" Club.

For recreation he chooses athletics and books.

**James Wilbur Pool**  
Jim, the son of Mr. and Mrs. Orr W. Pool of Albany, was born Febru-

#### All Day Chorale Clinic Will Be Held Next Month

The College music department will be host to approximately 150 high school chorus members and their teachers Saturday, December 2.

This all day chorale clinic is being held to assist directors in the selection of contest material and to consider methods to use in overcoming various chorale problems. Dr. Paul McNutt, chairman of the College music department, is director of the clinic. Mr. Franklin Mitchell, instructor in piano and organ, is the accompanist.

Individual schools are working on the music to be used. Recordings will be made and the records sold to participants. Mr. Everett Brown, director of field services, will present a motion picture.

Mr. John L. Smay, of the College music department, is chairman of the clinic which was requested by teachers attending the district convention.

#### New Alpha Phi Omega Officers Are Installed

New officers of Alpha Phi Omega, for this year, were installed at the November 7 meeting. Kenneth Ausmus is the new president and Billy Pease is the retiring president.

Officers of the organization include: Herman Boswell, vice president; Lou Hanning, secretary; Keith Adams, corresponding secretary; Donald Davis, treasurer; Jim Montague, reporter; Gene Huston, parliamentarian, and Billy Pease, pledge master. The new officers will serve until the last of the school year, when new officers will again be elected.

Dr. Huston Smith, a member of the staff of speakers at the Religious Emphasis Week, spoke at the meeting that combined the membership of the Ag Club and that of the Beta Epsilon chapter of Alpha Phi Omega.

**John Henry Hellerich**  
Born May 15, 1929, John is the son of Mr. and Mrs. Charles Hellerich of St. Joseph. His majors include social science, history and geography.

Football Player Hellerich is vice president of "M" Club and a member of Kappa Delta Pi fraternity.

**Max Williams Kinney**  
Student Body President Kinney, son of Mr. and Mrs. J. Hermon Kinney, was born April 27, 1928, at Mound City. He is majoring in chemistry and mathematics.

His positions have been secretary of Sig Taus (1949) vice president of Math Club (1949) and a member of the Student Senate.

Max served with the Army in the China Theater of Command. His favorite recreation is hunting.

**Gaylord Dean Meyers**  
Better known as "Whitley" this senior is the son of Mr. and Mrs. Hugo C. Meyers of Atlantic, Iowa. He was born November 28, 1928. He is majoring in physical education and business.

Last year Gaylord Dean Meyers was president of the Junior Class; this year he is president of Kappa Delta Pi, a pledge to Pi Omega Pi, and a member of the "M" Club.

For recreation he chooses athletics and books.

**James Wilbur Pool**  
Jim, the son of Mr. and Mrs. Orr W. Pool of Albany, was born Febru-

Student body president, Max Kinney, unearths the first shovel of dirt for the construction of the College's new Student Union building. Max acclaimed that moment as the proudest of his life, and stated that as a child digging the many holes he had, he never dreamed that that practice would some day be so significant and important. President J. W. Jones conferred the honors onto Max during the preceding assembly.

### Sod for New Union Building Is Broken

### Max Kinney, Student Body President Carries Out Honored Ceremony.

Max Kinney, student body president, broke the sod at the site of the Student Union building immediately following the November 1 assembly. Kinney, on behalf of the student body, thanked President J. W. Jones and the Board of Regents for their efforts in making the new building possible.

President Jones appointed a committee to define what is to be accomplished in the new building. The committee will consist of Dr. W. A. Brandenburg, dean of faculty; R. P. Foster, registrar; Lon Wilson, dean of men; W. T. Garrett, biology department; Martha Locke, dean of women; Dr. June Cozine, home economics department; Rachel Taul, supervising social science teacher; Max Kinney, student body president; one representative to be chosen from each class, and one representative from Horace Mann.

At the assembly program, Dorothy McCartney presented the United Nations flag which was made by the home economics department to President Jones.

Also at the assembly, Dr. John Harr, chairman of Homecoming, presented the Supremacy Award to Norine Norris, president of the Alpha Sigma Alpha sorority. Dr. Harr was appointed by President Jones to head the Homecoming activities again next year.

### Religious Emphasis Inspires Students

### Smith, Burbach, Kuebler, Bracy Speak to Many During the Week.

Religious Emphasis Week was high-lighted by a series of lectures with special interest for college students.

At the opening assembly Monday morning, Dr. J. W. Jones recommended the understanding of the various religions of the world and welcomed the people who were present.

**Smith Gives First Address**  
Dr. Huston Smith of Washington University, St. Louis, presented the main address of the morning. He spoke on the topic: "Where Do We Go From Here?" Dr. Smith suggested several possible answers to the problem, including those of the lazy man and the cynic, but he believed the wisest answer to be that of the religious man.

The religious way is guided by these three signposts: detachment from one's self; love, defined as a genuine interest in the welfare of others; and an awareness of the true significance of life and a realization of the reality of God.

On Tuesday morning Father Maur Burbach, chaplain of Major Seminary, Conception, elaborated on the theme: "Living With Our Eyes Open," by showing that it is possible to exist on the plant, the animal, or the intellectual level. When man reaches the intellectual level, the crucial question becomes: "Is there a God, and if so, how can we know him?" Father Burbach (Continued on Page Three)

### Can Female Dominance Come to This?

Popular tradition certainly hasn't deserted the Maryville campus as is obvious in the College's observation of the Al Capp creation of Sadie Hawkins Day. At the extreme left Wolf Girl Margie Elam clutches Unlucky Dogcatcher Terry Noah's arm in order to prevent a suicide; in the upper center Pappy Yokum Herschel Neil looks things over; in the foreground Daisy Mae Margie Lewis makes unsuccessful love to Li'l Abner Bob Guthland and on the right Raccoon Top Jim Hill is climbing up to Abe Lincoln for freedom from Sadie Hawkins Joyce Smith.

### Extension Classes Offer Many Opportunities in the District

#### Regents Discuss New Construction Program

Attending a meeting of the Board of Regents, Monday, in St. Joseph, were President J. W. Jones; Business Manager Harold Neece; Secretary W. A. Rickenbrode, and Regent President M. E. Ford.

Board members are Mr. R. L. Douglas and Mr. J. V. Gaddy of St. Joseph; Mr. Alan Wherritt of Liberty; Mr. Joe Roberts of Gallatin; and Mr. A. B. Kammerer of Chillicothe.

On the agenda were details of the new construction program at the College.

#### Miss Dykes Speaks About High School Newspapers

Miss M. Dykes will go to Southern Illinois University at Carbondale, Illinois, November 17-18 to take part in the program of the Southern Illinois High School Press Association. She will participate in a panel on various aspects of newspaper news. She will address the women delegates on "Opportunities for Women in the Field of Journalism."

While there she will be guest of Miss Francis Barbour of the English faculty of the University.

Friday night, Miss Burbach will give a dinner party for Mrs. Charles Neely, Miss Dykes, and Miss Marjorie Shanks.

#### Faculty Members Travel Long Distances During Winter Months.

Determining the enrollment of the College does seem to be a matter of simple arithmetic; but to the 27 instructors who travel a total of 1,900 miles each week to meet their classes off-campus students are an important factor in the total registration figures.

According to Mr. Everett Brown, director of extension, 10 departments of the College are now offering classes in 16 extension centers in Northwest Missouri.

#### Serve 341 Course Enrollments

At present the classes serve 281 individual students and 341 course enrollments.

Travelling the longest distance for one assignment are Miss Katherine Franklin and Mr. Leslie White who teach psychology and geography, respectively, in Richmond. They drive 240 miles every Saturday to meet their classes.

One night each week Miss Franklin also teaches an extension class in St. Joseph. The round trip for that teaching assignment is 100 miles.

#### Ten Departments Offer Classes

Departments offering extension classes this fall are the following: music; 7; history; 5; physical science; 4; education; 3; geography; 2; English; 2; fine arts; 1; physical education; 1; humanities; 1; library science; 1.

Extension centers, campus and off-campus instructors, and courses offered are the following: Albany, Mr. James Johnson, Library Methods for Rural Schools. Bethany, Dr. John Harr, History 50a and 50c; Mr. Robert Bruner, Music 113.

#### Three Go to Gallatin

Chillicothe, Mr. Fendorf, Music 113; Mr. Cramer Mansur, Physical Science 1b; Miss Isabelle Ruddy, Reading 58. Gallatin, Dr. John Harr, History 50a; Miss Bonnie Magill, Physical Education 50; Miss Anne Arnold, English 101.

(Continued on Page Three)

### Real Folk Opera Will Be Presented December 7-8

Under the capable direction of Dr. Paul McNutt and Mr. Robert Gee, directing music, opera, and ballet, respectively, the folk opera "Down in the Valley," by Kurt Weill is coming along in fine shape. The opera to be presented by the combined efforts of the music department and the speech department (Dramatics Club), on December 7-8, has proved conducive to student interest.

"Down in the Valley" is in part based upon the folk songs "Lone-some Inn," "The Little Black Train," "Down in the Valley," "Hop Up, My Lillies," and "Sourwood Mountain."

### Tradition Captures Popular Attention

### Dance Friday Night Will Climax Girls' Legal Dating Rights.

### Men Have Rough Week

Purchase of Marriage License, Signature of Male Company, Are Admission for Event.

If Al Capp could only receive the thanks of many girls throughout the nation for his establishment of Sadie Hawkins Day, he would be one colored mass of red.

What his sensational creation has done is to relinquish the male dominance in the dating arrangements and to forward to the female species the opportunity for all-out man-hunts and a legitimate excuse to capture her find during this raging week.

#### You Males, Beware

To the males it is beware and be alert; be cautious and be careful. When a complete 366 day leap year is all wrapped up into seven days, that's a potential intake of power for girls.

This campus, as well as hundreds of others throughout the nation, is observing the traditional Sadie Hawkins Week. For two days now the idea has been in effect, but the climax arrives this Friday night in the all-school dance, fashion parade, and costume affair.

#### Dance is Highlight

This highlighting affair Friday night is a dance planned exclusively for entertainment in Dogpatch style, stressing wild and frenzied enthusiasm of the local hillbilly town on Saturday night.

All in all more than fifty prizes will be given away. Some of the special prizes will be for the best Li'l Abner, the best Daisy Mae, the best dressed other Dogpatch male and female, the ugliest man, and the boy with the largest feet.

And to make it official, as far as Dogpatch rules are observed, the girl will have to purchase a \$1.00 marriage license and the signature of any man she can get to sign it as an entry fee to the music of Bryce Pulley and his orchestra.

**Social Committee Plans**  
Arrangements for this delightful affair are being promoted by the capable Social Committee of the College. Chairmen by Bob Guthland, the Committee has done outstanding work in the past, and this week's events have certainly been recipient of its genuine efforts.

Each member of the Committee has been given significant tasks for the dance Friday night. Margie Lewis is in charge of decorations; Jane Costello takes care of the invitations; Jim Hill, Joyce Smith, and Herschel Neil are doing the publicity work; while Terry Noah has been given the responsibility of the entertainment.

Attention has been directed to the fact that since this week is unusual in the performance of school weeks, the students should derive its utmost significance in all phases. Dogpatch style costumes are encouraged; women dating men and accepting; the financial burden is a moral obligation; general attitude and acceptance is necessary for the carrying-out of such a fascinating program.

#### Mayor Begins Tradition

Al Capp began this peculiar "American Tradition" a long time ago in his famous comic strip of Li'l Abner. It seems that Sadie, a homely girl, to say the least, was the daughter of the mayor of "Dogpatch," mythical metropolis of the hills.

When, after several decades had elapsed, Sadie still had not managed to catch herself a man, the mayor, determined to get her off his hands, assumed his official capacity and declared what has been known as Sadie Hawkins Day.

All eligible bachelors in Dogpatch were brought to the starting line at sunrise and given the signal to run for their lives. After a suitable time (five minutes) had elapsed, Sadie was given a signal and she ran for her man, returning before sunset successful.

Other women in Dogpatch, envious of Sadie's success, decided that the day should be an annual affair. It has in many ways become a celebrated form of American life in reality.

This year, in national celebration, there will be a Dogpatch race in Chicago, where adolescents of both sexes will scramble for qualification. Capp, himself, will crown the winner of the Sadie Hawkins Chase on November 18.

**A. A. U. P. Meets at Drops Home**  
Members of the American Association of University Professors will meet December 14 at the home of Dr. and Mrs. Joseph Dreps. The program will be a reading of "A Family Portrait" by Betty Williams Grace.

## THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

## CONSIDER THE VOTER

This is written in praise . . . in praise for each NWMSC voter who went to the polls on election day. It would be good to know that at least some of our students know what they expect from our government and that they are willing to vote to keep our present policies or to reform them.

Surely any of you who voted did so "on your own," for the importance of voting and the knowledge of our present problems are stressed but little, if at all, in any of our schools. Instead of presenting so many isolated historical facts, why don't our books and courses present patterns in some form which may be applied to our national and international problems of today?

Or why is not some course offered in which the only assignment is to bring a daily newspaper to class, and discuss and debate intelligently the national and world problems? Or could it be that our teachers and leaders are afraid to discuss the critical position of the United States and many other nations of the world today?

Tomorrow, without doubt, will occupy many history books, but how much credit will be given to any "stay-at-home" voter?

—Alyce Whitlatch.

## CHAMPION WATCHES DIET

You can't have your cake and eat it, too, if you want to win a tough match on the tennis court, according to Alice Marble, the glamour girl of tennis. She believes that what you eat has a lot to do with how you do in your job, whether it's tennis or train-calling, bowling or banking.

Many players are apt not to eat the right things, says Miss Marble, and make the mistake of choosing "heavy" foods before play, instead of protein-rich meat and vitamin-rich vegetables. Her personal diet is designed to make her feel strong before a tennis match, she says. A chop or a small steak, a sliced tomato and tea is Miss Marble's usual luncheon menu on tennis playing days.

Most of the champions have found that a cup of tea between games is gently stimulating, Miss Marble says. "No" to any and all cold drinks during match play.

Her general food-rule includes menus containing at least one leafy green vegetable; tomatoes, oranges or grapefruit daily; at least four eggs a week and meat, poultry or fish once a day. Two glasses of milk daily for every adult; more for children.

## BE NOT DECEIVED

Wine is a mocker, strong drink is raging; and whosoever is deceived thereby is not wise. —Proverbs 20:1

## EXAMINATION SCHEDULE

## Fourteen Seniors Are Selected by "Who's Who"

(Continued from Page One)

ary 2, 1928. He will have a business major and a speech minor.

He is vice president of Phi Sig, vice chairman of Inter-Fraternity Council, a member of Alpha Pi Omega, Dramatics Club and Bar-katze. Last year he was chosen "Phi Sig of the Year."

Jim served 13 months in the Navy. He has been to Hawaii, Japan, Sulu, Guam, Tension and Iwo Jima. He prefers dancing, roller skating, bowling and sports for recreation.

## Wilbur Lee Pollard

Wilbur, the son of Mr. and Mrs. James Pollard of South Bend, Indiana, was born, May 4, 1927. He is married and lives in Vet's Village.

He is working toward these degrees: B. S., B. S. in Education, and A. B. Social science is his major with history and physical education as minors.

Among the honors he has won are Howard Leech medal, Outstanding Lineman Award of 1949 Homecoming Game, Sigma Tau Gamma Scholarship Medal, No. 1 rating on Northwest Missourian editorial and Football Co-captain.

Wilbur is president of Sig Taus, vice president of Kappa Delta Pi, president of Inter-Fraternity Council, a member of Student Senate, "M" Club, and Future Teachers of America.

He served with the Navy in the Pacific area.

He selects all sports, reading and music as recreation. Collecting books, pipes and neckties are his hobbies.

## Gean Paul Porter

Born March 22, 1928, Gean is the son of Mr. and Mrs. W. C. Porter of Gower. He is also married and lives in Vet's Village. Social science is his major and industrial arts, his minor.

Gean was on the 1950 Homecoming Committee. He is vice president of the Industrial Arts Club and a member of Kappa Delta Pi.

During army service he was in Hawaii, Guam, Okinawa, Kwajalein Island, Japan and Korea. He has also traveled in 22 states.

Leather crafts and collecting Indian relics are his hobbies. For recreation he chooses hunting and fishing.

## Dolores Jean Reed

Dolores, daughter of Mr. and Mrs. Edward Reed of Stanberry, was born December 11, 1928. She will receive a B. S. degree in elementary education. She has taught school for three years.

Besides being president of the Delta Sigs she is also a member of Pan-Hellenic Council and Association for Childhood Education. She has traveled through the Middle West.

Dolores likes to read novels, play the piano and see play productions of any kind.

## Mary Schulte

Mary Marie, was born June 13, 1928, to Mr. and Mrs. George Schulte of Oregon. She will receive a B. A. degree with a business major and a music minor.

Before coming here she attended William Woods College. She is a member of the Tri Sigs, Pan Hellenic Council, Tower Choir and is accompanist for the Girls' Sextette.

## Joyce Marie Smith

A native of Maryville, Joyce is the daughter of Mr. and Mrs. Walter E. Smith, 136 South Vine Street. She was born August 2, 1930. Her major is business and her minor, Spanish.

She is secretary of the Senior Class, a member of 1950-51 Social Committee, corresponding secretary of Tri Sigs, secretary of Kappa Delta Pi, reporter of Pi Omega Pi and vice president of Spanish Club. Last year she received the AAUW scholarship loan and was secretary of the Junior class.

## Robert Tebow

Another representative from Maryville, Bob, was born August 22, 1929, to Mr. and Mrs. Kenney Tebow.

He is corresponding secretary of Alpha Pi Omega, secretary of the Band, Marching Band Drum Major, a member of College Concert Band, Tower Choir, Orchestra and String Ensemble, State Teachers Association and Music Educators' National Conference.

Some of the positions that Bob has held are soloist at Christ Episcopal Church, St. Joseph; soloist at Christian Science Church, Maryville; bass soloist in production of Handel's "Messiah" and Faure's "Requiem," baritone lead in Mascagni's "Cavalleria Rusticana" and Well's "Down in the Valley."

At present he is teaching music at Burlington Junction and directing the Presbyterian Church choir. At one time he was connected with the Collegians Orchestra.

In his free time he prefers to listen to operatic and symphonic concerts and to play in dance orchestras.

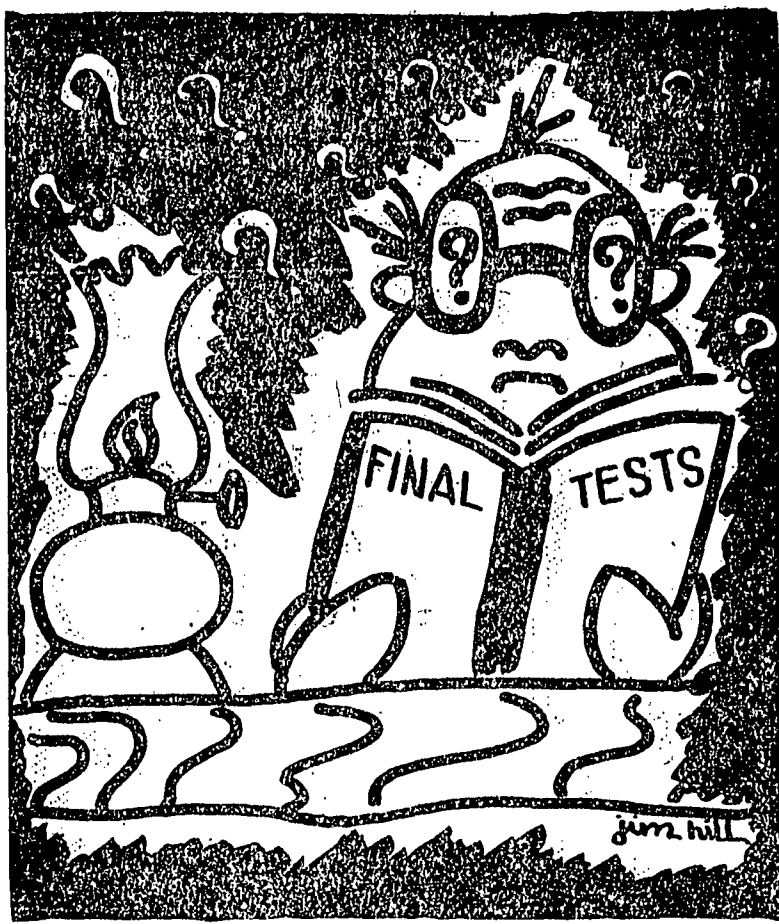

Agneta Sixtensdotter Wohlfahrt Domnarvet, Sweden, sends Agneta to the campus. She was born July 14, 1929, to Mr. and Mrs. Sixten Wohlfahrt. She is an English major and a speech minor.

"Nita" is a member of the Independent Club and the Dramatics Club.

Besides her native country she has traveled in Norway and England as well as the United States. This summer she traveled extensively through the West.

For recreation she chooses litera-

## That Fateful Time Draws Near

## Gene Criss Has the Fascinating Hobby of Collecting Minerals

By DWAN WICK

Gene Criss, a St. Joseph senior at the College, has the fascinating hobby of collecting semi-precious minerals and gems.

Gene's love of the outdoors led him into the hobby a few years ago, as the obtaining of the various specimens requires a great deal of physical stamina plus an acute knowledge of the geological conditions of the area.

The greater part of Gene's collection comes from the western United States, although he possesses an amethyst which a friend procured for him from Guatemala.

## Has Many Varieties

Some of the interesting specimens in his collection include beryl ore from which the rare mineral beryllium is extracted; lead-splint; lead in galena; molybdenum which is used in hard steel alloys; schengritite, a radio-active mineral; and hematite, an important ore of iron.

Gene first located a cliff in Colorado containing rose quartz deposits, and because of this action his discovery was recorded with his name on a geological map at the Clark School of Mines in Colorado.

Rock collecting is more than merely going out and picking them

ture, languages, skiing and sailing.

## Diana Marie Yip

Shanghai, China, sends Diana. Her major is English and her minors are sociology and French.

Diana is a member of the International Student Seminar, co-chairman of Religious Emphasis Week and WSSF Drive. She has been a member of the Northwest Missourian staff.

She has traveled in almost half of the states.

For recreation she enjoys reading good books, cooking, telling fantastic tales about her country to the girls at Residence Hall, and seeing good plays.

off the ground. This is evidenced

by Gene's advice to potential collectors. He recommends that the collector: first, obtain a quadrangle map from the nearest U. S. Geological Survey office of the area to be covered; second, go as near to selected location as possible in a car; third, take along heavy shoes, hammer, steel chisel, prospector's pick, match boxes with cotton for collecting the special specimens, sack for rough specimens, and dynamite if specimens are not readily at hand.

Stream Beds Are Good for Start

The best areas, according to Criss, for the most interesting specimens are places where there is exposed granite or igneous rocks. When in such an area the best place to start is along a stream bed, for here one may find evidence of certain minerals which may be present in the surroundings.

Criss points out that since north-west Missouri is formed from glacial deposits, there are few minerals present of value to collectors, but the area is rich in fossil remains, and thus presents a challenge to such collectors.

Aside from the healthful values of such a hobby, Criss asserts, there is always that lingering possibility of finding hidden wealth in the form of gold, uranium, and similar precious minerals.

## Intramural Trophy Is Goal Of Phi Sig Teams

Plans are being laid by the Phi Sigma Epsilon fraternity to produce teams for competition in the winter basketball play for students of the College.

The Phi Sigs have won the intramural tournament twice and are planning for a repeat on past performances this year. The Phi Sig won in 1947 and 1948.

## They're Talking About . . . by Ken

M. S. C. girls looking over the jeweled frat pins on display in the den. Amendment No. 1. . . All those who have recently become of age hurrying to the polls to vote.

Construction of the Student Union Building (I'll bite, . . . What are those temporary shacks for?) . . . Lou Wilson's garage being moved. . .

Quad Men staying home nights and leaving the phone off the hook. . . Finals or Sadie Hawkins fright? . . .

The all-out trip to Warrensburg for the Bearcat-Mule game (Who was it thought the opening-kickoff looked like a flock of ducks flying over?) . . .

A. P. O.'s getting the student directory in circulation promptly before Sadie Hawkins week so the gals will know the phone number. . .

Everyone going into the army. . . MAIL service getting heavier at the quad . . . with more inductions. . . Residence Hall mail coming from army locations. . .

Greek pledges being entertained by the actives with a series of real gone dances. . . Jean Bressler's new jewelry (Congrats!). . . Religious Emphasis Week. . . Father Burbach's comment that colleges of today teach too much about too little. . . approaching finals. . .

Weather predictions. . . How nice it used to be. . . Why blankets can't be thrown over snow. . . The need for more couches at Residence Hall. . . More cars, too. . .

A Junior-Senior prom in the future. . . An all night affair. . . School the day after . . . if the juniors think the \$2 per quarter is worth it . . . most think the precedent is. . .

Dick Tweedell wondering if he should carry all his 22s with him or put part of it in the bank. . . Audrey Bentall lifted up her pillow to find a mouse . . . very dead and very, very mashed after being sat on by Joyce and Mary Lou. . .

Expected additions to the Langer and Graham families. . . Bryce Pulley having \$12 per month deducted from his pay check. . .

Elaine Hunt and Sue Simpson having four dates in one night. . . At least Don and Cueball got them home by 10:30 in time to see Sonny and Tom. . .

## O. K. Club Braves Frigid Temperatures for Picnic

Members of the O. K. Club braved the frigid temperatures for their first winter picnic on Friday, November 3, at the Lake of Three Fires. Despite the unexpected cold weather, fifty-three members and guests attended the outing. The following people took cars: Miss Rachael Trull, Miss Martha Locke, Don Dougherty, Don French, Dick Gordon, Lee Kissick, Mildred Maxon, and Bill Stone.

Games were enjoyed by all except the few who would rather stand by the fireplace to keep warm. "Happy Birthday" was sung to Miss Trull.

On Monday night, November 6, the club held its Religious Emphasis Week meeting at which Father Maur Burbach of the Order of Saint Benedict from Conception Seminary was a guest speaker. He told about the origin and living habits of Monks.

## Pi Omega Pi Members Take Kansas City Trip

Pi Omega Pi, business fraternity, combined education with pleasure by taking a field trip to Kansas City and then journeying to Warrensburg for the football game Friday afternoon.

An hour and a half tour at the Federal Reserve Bank of Kansas City was the main event of the field trip. Members were awed by the calm way in which thousands of dollars were handled. The group stood in a room which was stacked with bills of all denominations.

Of special interest were the vaults which were three floors underground. Electric elevators were the only means of conveyance from floor to floor.

Members who took the trip were Jean Hansen, Richard Gordon, Betty Conrad, Donald Davis, Joyce Smith, Thesis Robinson, Wayne Simmons, Don Pettigill, Rex Fryar, Mary Lou Neville, Lillian Mantz, Verne Bailey, Beverly Hooker, Joyce Bailey, Bonnie Polk, Sue Thompson, and Franklin Blithos.

Mr. Dale J. Blackwell, sponsor of the organization, went on the trip also.

## Seniors Will Occupy Rooms at Remodeled Quad

Seniors were permitted to occupy rooms of a newly remodeled quadrangle Tuesday, October 7. The privilege is granted the seniors on the basis that their stay will be the shortest and therefore should be made the most comfortable by giving them rooms in the first of the four quads to be completely remodeled.

Progress is already in motion for the remodeling of the other three quadrangles; the ground has been broken for construction of a sixth. Although the quads are very livable as they are now, further renovations being employed are new mirrors, doors for cabinets, excellent study desks, and many other improvements.

## Dear Mom

Dear Mom,

I guess there comes a time in every man's life when he feels despondent, when life seems to be worthless, when there seems to be no future. That time is in my life now. No, Mom, I'm not worrying about the draft; it's those blasted finals just around the corner. I look as much forward to those as I do any blind date my roommate fixes me up with.

I'm as popular with a final "E" as Lincoln was with the South or as near getting one as Fred Allen and Jack Benny ever think of teaming up. Taking a final for a grade in my benefit is just as ludicrous as a Missouri mill.

But my classmate said he had the situation solved. "Wait until the final day," he says, "and then accuse dear old Prof of Communistic tendencies — the investigation would take enough time so that we could elude the test."

Naturally, Mom, I was shocked. "You mean you would think of doing a thing like that?" I said, and he replied: "I'd do it without thinking!"

And to top it off, these freshmen are getting awfully sarcastic. I saw one working laboriously grading papers. "What are you grading those papers for?" I asked him. "Errors," he said.

As if I didn't have enough on my mind. One can't concentrate on two things at the same time. I know my roommate can't; his one track mind won't allow it.

Anyway, it looks as if my scholastic future is like a misty downcast. Don't be alarmed, though, Mom; there is an explanation.

I figure I spent \$2.50 for Homecoming dance and had a good time. I spend \$150 per quarter, so I may as well have a real good time. So you see, there is a logical reason for my "I's."

Goodbye, Mom. Pray for me. Love, Junior

## Go to Kansas City

Faculty members attending meetings in Kansas City tomorrow and Friday will include Miss Dora Smith, Mrs. Avis Graham, Miss Mary Keith, Miss Dorothy Hall, Mr. Howard Ringold, Mr. Elroy Gibson, Miss Chloe Millikan, Miss Neva Ross, and Mr. K. Thompson.

## The Stroller

The Stroller thinks that Halloween had a ghostly—oops, ghostly—effect on the campus. The "Belle of the Ball" at the Art Club dance was dazzling damsel from No. 1 Dugout, Chie Graham, who now realizes that duz does not do everything—scotch tape does! Louise Wintemute, you can take off your mask.

Thursday night is football night at the dorm. Does Marlin Carey realize what he's been missing out on?

Has everyone met "Pandabell" Stanton in Room 101—A dormitory product!

What is Baritone Austin Pollard "moving on" to?

Dean Knodle, of Lenox, Iowa, had a good time with the attractive sophomore brunette from St. Joseph at the Phi Sig Dance. His "sister," according to fraternity-sorority pledge terminology.

It's right! Jo Ann Wright has her ring. Betty Ann Wilson and Helen Ann McDonald are pinned.

Are Danny and John Yurehak getting in that Wednesday night after meeting rut? Dormitory attendance seems regular.

Berta Kseurra should quit reading in so many girls' palms that they are passionate. She might start a revolution, some believe.

It's a draw between Jack Lasley and Mr. Myrl Long as to who is the more windy in 8 o'clock physical science. Sound experiments make good tests.

The Stroller thinks that "I'm only a bird" should go back to her cage!

Jean Bressler accepted a frat pin the other evening. Complete and accurate data are not yet available.

It is rumored that chemistry and Dr. J. G. Strong are taking some of the students for a rough ride.

On the day of the first snow Jeanne Frank- en decided to go back to Virginia, but Mr. W. T. Garrett suggested she should wait to see what it's like on the campus when a fifty mile mind blows at below zero temperature.

Alice Gross, requested to get a package from the second floor post office, walked to the one down town. The Stroller is glad she caught a ride back.

Sentimental Paul Fisher filled a jar full of dirt from that first spadeful Max Kinney dislodged.

The Stroller believes it will be a long time before Mary Belle East forgets that "Christianity is a sauce for living." Maybe she's right.

## Further Training of Superior Students Is to Be Encouraged

These recommendations, not yet

regulations, are intended to protect the national interest by providing for the further training of those students whose potential abilities

attested by a superior score on a general aptitude test and whose educational progress to date is established by a superior academic record. No attempt is made to designate any specific college curriculum or graduate program of instruction as essential or as warranting consideration over the above that given any other curriculum.

1. There should be established within the present Selective Service regulations a special class of registrants (perhaps designated Class II-A (s) in which there should be placed any registrant whose demonstrated educational aptitude is such that it is deemed necessary that his pre-professional or professional training program be continued in order to increase his potential value to the national health, safety and interest.

2. Educational aptitude should be defined as a specific minimum score on a general classification test and a record of previous educational accomplishment sufficiently high to indicate special promise of eventual scientific, professional or specialized competence.

For the present, the Committees recommend the following specific provisions:

(a) To be eligible for classification in the proposed Class II-A (s), a student must have a score on a general aptitude test equivalent to a score of 120 or above on the Army General Classification Test.

(b) To be eligible for such classification he must also be certified by the school, college or university authorities as giving promise of definite progress in higher education; such certificates may be issued only in the following cases, the certificate stating in each case the relevant limitation:

1) If the registrant is a student in high school or preparatory school, his record to date must be acceptable for admission to one or more accredited colleges or universities. (An accredited college or university, as herein interpreted, is one which offers an educational program leading to an academic degree at the end of four years and which is approved by the Department of Education in the state or territory in which it is located. Teachers colleges and junior colleges are included within the meaning of this recommendation when their students conform to the limitations set

herein.)

ii) If the registrant is a full-time first year student (freshman), he must be enrolled in a curriculum which leads, either in the same or after transfer, in another institution, to a degree granted normally at the end of at least four years of college work.

iii) If the registrant is a full-time second year student (sophomore), in an accredited college or university, and is enrolled in a curriculum as defined in "i" above; he must have maintained a scholastic record which placed him above the 50th percentile of the first year class in the university or college (or in a school or curriculum thereof) in which he was previously enrolled.

iv) If the registrant is a full-time third year student (junior), in an accredited college or university, and is enrolled in a curriculum as defined in "i" above; he must have maintained a scholastic record which placed him above the 33rd percentile of the second year class in the university or college (or in a school or curriculum thereof) in which he was previously enrolled.

v) If the registrant is a full-time fourth year student (senior) or a full-time fifth year student in those five year programs which lead to a baccalaureate degree, and is enrolled in a curriculum as defined in "i" above; he must have maintained a scholastic record which placed him above the 25th percentile of the class in his previous year in university or college (or in a school or curriculum thereof).

## Newman Club on Campus Elects Five Officers

The Newman Club at the last regular meeting elected officers for the coming year. They are as follows: Charles Hiney, president; Jack Skahill, secretary and treasurer; Rika Zimmerman, corresponding secretary; Jane Costello, reporter; Bill Stone, sergeant of arms.

Committee chairmen appointed are Rita Zimmerman, program committee chairman; Ginger Franklin, social committee, Gary Parks, membership.

Dr. Surrey Attends Meeting  
Dr. Sterling Surrey, chairman of the business department, attended the Regional Sales Conference in Kansas City last Friday. This meeting was sponsored by the Advertising and Sales Executives' Club of Kansas City.

## Tri Sig Pledge Group Dons White in Pinafore Time

The pledges of the Alpha Epsilon chapter of Sigma Sigma Sigma don their traditional pinafore and hats during the week of October 30 to November 3. First row, from left to right: Joan Hansen, Mary White, Dorothy Pullen, Grace Beeks, Jean McClurg, Gloria Gillis, Elaine Hamilton, Bonnie Polk, Pat Colvin, Louise Tobin. Second row: Leona Ringold, Pat Schulte, Eva Mae Luhrs, Shirley Wiles, Maxine DeShon, Marilyn Gruber, Mildred Maxon, Diane Clements, Norma Waters, Dorothy Hart, and Nevada Rhoads. Third row: Rita Clinton, Jerry O'Dell, Olive McBride, Rose Laimhart, Charlene Jones, Peggy Sipes, Frances Wilson, Marilyn Anderson, and Joyce Myers. Not shown is Jo Ann Hartell.

## Student Directory Is Now Available

### Alpha Phi Omega Finishes Third Annual College Student Booklet.

The 1950 Student Directory for Northwest Missouri State College has been completed and placed on sale by the Beta Upsilon chapter of Alpha Phi Omega, the national service fraternity on the campus. This is the third annual college directory published by the organization. It is jacketed in an attractive yellow cover and contains the names of every student registered for the fall quarter, together with his classification, his local address, telephone number and his home address.

The directory also contains the names of all college personnel, their local address, telephone number and college department in which they are employed.

### Are Sold at Cost

These useful and convenient directories are sold virtually at cost. They are part of the program of service, which this group of men students sponsor. They were placed on sale, beginning Wednesday, November 8, and have been in great demand since that time.

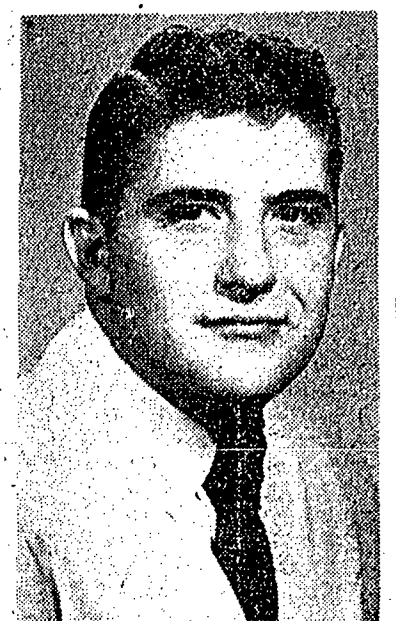

The following students composed the directory committee for this year: Billy Pease, Kenneth Ausmus, Bill Gram, Jim Montague, Lu Haning, Gene Huston, Joe Collier, Richard Grund, Ray McClaren, Donald Corbin and Richard Winburn. Bob Osgood is general chairman in charge of sales.

### Too Much Time

A great amount of time was required to work out the details involved in publishing the directory. First, every student's card in the registrar's office was checked to get the necessary information.

Later, the names were listed on a stencil and mimeographed. After this procedure the booklets were stapled to the covers. The work all went together to give the college a directory that will be of service to all who use it.

## Max Hochenauer is Mayor

MAX HOCHENAUER  
Max Hochenauer, of St. Joseph, has been elected mayor of Quadrangle, the men's living quarters at Northwest Missouri State College.

## Warrensburg Phi Sigs Entertain Nu Brothers

Several members of Phi Sigma Epsilon became gridiron followers for the last game of the 1950 season at Warrensburg.

The men of Nu from Maryville were treated like kings by their brother Phi Sigs at Iota Chapter. New acquaintances were made and old ones renewed at this enjoyable meeting of Phi Sigs.

## Versatile "Stan" Summers Has Various Musical Compositions

### Mrs. W. Brandenburg Is New Tri Sig Patroness

Members of the Alpha Epsilon chapter of the Sigma Sigma Sigma sorority are proud to announce that Mrs. W. A. Brandenburg has consented to be their patroness. She is replacing Mrs. Forest F. Gilliam who resigned because of illness. Mrs. Brandenburg is a "freshman" on this campus, coming here at the beginning of the year. She and her husband, Dr. W. A. Brandenburg, dean of the College faculty, were previously affiliated with William Woods College at Fulton. The early part of her life was spent in Iowa, which she is proud to claim as her home state. She received her B. A. in English from Iowa State Teachers College at Cedar Falls, and she did graduate work at the University of Colorado and Northwestern University. She traded a teaching career for that of a homemaker.

Mrs. Brandenburg is a member of the American Association of University Women, Theta Alpha Phi, a honorary speech fraternity, and Delta Phi Delta sorority.

Other patronesses of the Sigma Sigma Sigma sorority are Mrs. James Norvel Saylor, Mrs. Robert Foster, and Mrs. J. B. Robinson, Jr.

### Delta Sig Pledges Give Party for Active Deltas

The Delta Sig pledges gave a "Return to Your Childhood" party to the actives on November 3. After meeting in the lobby of Residence Hall, the actives and their guests were marched over the campus and finally led to Room 113 in the Administration Building, where they were divided into groups.

Aided by strategically placed clues, each group went on a treasure hunt. Prizes were then awarded to the most successful hunters and "Spin the Bottle" was played. This resulted in many athletic endeavors such as "push ups," somersaults, and even a spanking.

Dr. Frank Grube very capably demonstrated the art of spanking the unwilling model, Mary Ellen Daniels. The older parlor game of "Who, What, and Where" also provided many entertaining moments. Refreshments of doughnuts and cider were served by the pledges.

Carole Ann Roberts was in general charge of the party while Dr. and Mrs. Frank Grube and Mr. and Mrs. Robert Gee acted as chaperones.

### Kappa Phi Girls Attend Conclave in San Antonio

Our Lady of the Lake College, San Antonio, Texas, will play host to delegates of Kappa Omicron Phi chapters throughout the country at National Conclave, November 23-25.

Roberta Walker, president, and Betty Curry will represent Alpha chapter at national and will leave Warrensburg, with girls from Beta chapter, Tuesday, November 21.

Alpha's conclave display is party suggestions, and the project is revision of the pledge manuals. Each chapter will dress a doll in the style of the year in which the chapter was founded, and Maryville's little flapper from '22 is already on her way to San Antonio.

### Haws Announces Swim Meet

According to George Haws, Intramural Commission student chairman, the plans for the swimming meet indicate the event to take place just before Christmas vacation.

Betty Grace Entertains  
Mrs. Betty Williams Grace was a guest of the Twentieth Century Club at their meeting on November 8. Mrs. Grace gave a cutting from "Never Marry a Ranger."

Perhaps very few students know that among them there is a composer! He is Joseph "Stan" Summers, a senior living in Vet Village. Stan's experience and education are fitting for his role as a composer. He graduated from Cameron high school at Cameron in 1940.

Following graduation he joined the U. S. Navy School of Music in Washington, D. C., and after a year of study there he joined the fleet musicians as first trombonist and arranger with the U. S. S. Tennessee's band.

Was With U. S. Navy Band  
In 1945 Stan was called back to Washington, D. C., and served as trombonist with the United States Navy Band.

After a year with the band, Stan was sent to Hunter College in New York City as composer and arranger for the U. S. Navy's "Waves on Parade" program which was heard coast-to-coast twice weekly over the Columbia Broadcasting System.

In 1946 Stan received his honorable discharge from the navy, and his next musical venture was to enroll in the Manhattan Conservatory of Music. His studies there included the composition and theory of music. While at the Conservatory, Stan held the first chair trombone in the Manhattan Symphony Orchestra under the direction of Hugo Kortschak.

### Intends to Teach Music

Stan entered the College here with the idea of teaching music. To further his plans, upon graduation here he will enter the University of Southern California to begin work on a master of music degree, with a major in composition and a minor in theory.

His original compositions for piano and voice include "Midnight Magic," "Moon Dream," "To You," "Too Close for Comfort," "Vera's Song," and "An Old Fashioned Moment."

His original compositions for piano and voice include "Reflective Moods," "Ocean Voyage," and "Westward Suite." The College band has been recently rehearsing "Ocean Voyage." One of his compositions for orchestra is "The Big Top."

Likes Dance Orchestra Work  
Stan is quite active in dance orchestra work and has composed a number of tunes in this field. Some of them are "Fire Cracker Serenade," "Think Before You Jump," "Hong Kong Homecoming," and "A Night Under the Blue."

He sums up his philosophy on composing as follows, "I believe that effective simplicity should be the guiding principle behind any composer's works."

With such a background and with such a goal in mind, Stan Summers someday may be listed with the musical great.

### Dorothie Hall Enters St. Joseph's Convent

Miss Dorothie Hall, member of the English department, who has been here since 1948, will leave at the close of the fall quarter to enter St. Joseph's Convent, School of Sisters of St. Francis, at Chillicothe.

The order, founded from Voecklabruck, Austria, has been in the United States about 25 years. It is primarily a teaching order but has hospital and other types of work.

Before Miss Hall enters the order on January 6, she will spend some time with her parents, Mr. and Mrs. John Hall, Stearns, Kentucky.

Miss Hall is a member of Delta Kappa Gamma, St. Jude League and Archconfraternity of St. Ann of New Orleans.

Patronize Missourian Advertisers.

## College Senate Will Hold Open Meeting in Orientation Class

### Agenda Gives Interesting Topics for Discussion Before Freshmen.

This afternoon's freshman orientation class will be the scene of this week's Student Senate meeting. Every year as the orientation program comes to a close, the Senate holds an open meeting before the class, to give an illustration of student government in action. Actual issues are brought up and decided upon at the meeting, which goes into the official record.

All members of the student body are invited to attend the meeting, to see how the Senate conducts its meeting. Many students are not familiar with the work and functions of the group and this offers an opportunity for students to get a better understanding of it.

### Members Will Be Introduced

Members of the Senate will be introduced to the class, with the calling of the official role. Members, by classification, are as follows: Wilbur Pollard, John Pope, Jim Montague, and Jack Miller, seniors; Richard Gordon, Oretta Knipmeyer, Herbert Awe and Betty Curry, juniors; Wilbur Wright, Barbara Hudson, Jo Magnuson and Dorothy Noelsch, sophomores. No freshmen are members of the Senate, as the election of the first freshman senator does not take place until the second week of the winter quarter.

Officers of the Senate include the following: Max Kinney, president; Walt Stanton, vice president; Jo Magnuson, secretary; Herbert Awe, treasurer; Jim Montague, E. C. A. Recorder. Officers are elected during the last of the spring quarter of the preceding year.

### Reports Will Be Made

It is expected that some important issues will be aired at the meeting this afternoon. A report regarding the effectiveness of the concession stands operated during home football games will be given, along with timely issues.

### Appoints Committees

The Senate has in its power to appoint many committees that serve the College. One of these is the social committee, headed by Bob Guthland.

Operation of the Bearcat Den as a Student Union is handled through the Senate, which appoints a chairman for the Student Union Committee. Organizations, on the campus, are given one representative on the Committee. This year attendance at the Den on Friday and Saturday nights has been rather poor, but it is expected that more students will attend during the winter months.

This year the Senate is sponsoring the World Student Service Fund. The project is practically inactive at the present time, as the campaign for donations will be taken up in the spring.

### Operates Elections

All student elections are operated by the Senate and this requires a great deal of time, on the part of individual senators. This year the Senate is sending delegates to the National Student Association in Kansas City, November 17-19.

Perhaps the most important task of the Senate is the granting of many requests, on the part of the organizations of the campus. It is easy to see that when you, as a member of the Senate Government Association elects a fellow student to the Senate, you give him a job.

### FTA Will Visit Local High Schools This Year

Plans are being made for members of the Future Teachers Association to visit high schools in northwest Missouri during the year. The first trip will be December 6 when they will visit Savannah, Oregon, and Mound City.

Programs consisting of short skits, discussions on purpose of Future Teachers of America, questions and answers about the College, quartets and piano numbers will be presented at each school. They are intended to familiarize high school students with advantages of college and the teaching profession for qualified students.

### Faculty Members Attend Meeting

Faculty members who will be attending the Kansas City state meeting of Missouri teachers tomorrow and Mrs. J. W. Jones, Dean and Mrs. W. A. Brandenburg, Mr. Herbert Dieterich, Mr. Donald N. Volk, Miss Janet Wilson, Mr. David Crozier, Miss Rachel Taul, Miss Effie Mae Morrey, Miss Ruth N. Miller, Miss Dorothy Wiegand, Mrs. Dean Dorman, Miss Jessie Juttin, Dr. Leon Miller, and Dr. June Cozine.

## ASA and Sig Taus Go Western at Pledge Dance

The wild and woolly West reached its highest glory Saturday, November 4, at the Maryville Country Club when the Alpha Sigma Alpha sorority and the Sigma Tau Gamma fraternity held their annual pledge dance.

A capacity crowd of cowboys and gals danced to music provided by records from Bud Jones of Maryville.

Intermission found all "hands" around the campfire where entertainment was provided by a reading, by Norma Miller, and western ballads by Lila Bauer, Henrietta Hoffmeister, Bill Coker, Gus Clothier, and J. C. Hall, who acted as master of ceremonies.

Austin Pollard and Ron Van Ryswyck also offered several colorful renditions of western folk songs. Refreshments of cider and doughnuts were served to the hungry cowpokes.

Corn stalks, pumpkins, and bales of hay lent their rustic color to the thoroughly enjoyable evening.

## Informal Dance Honors Phi Sig Pledge Class

An informal dance in honor of the pledge class was given by the Phi Sigma Epsilon fraternity Friday evening, November 3. The dance was held in the fraternity chapter room to music furnished by the frat's radio-phonograph. This affair lasted from 8 to 12 p. m.

Pledges present for the dance were Raymond Prentiss, Jim Montgomery, Dale Rowley, Cliff Thompson, Leonard Gercken, Duane Newman, and Max Miller.

After a couple of songs by the quartet, refreshments of cider, doughnuts and cookies were served by Bill Ogden, Mafel Daranyi, Hank Sparkmann, and Jane Costello.

Chaperons for the dance were Mr. and Mrs. W. T. Garrett, Mr. and Mrs. J. Gordon Strong, and Mr. and Mrs. Harold A. Mulford.

## Agriculture Club Hears Dr. H. Smith at Meeting

Members of the Ag Club met with members of the Beta Upsilon chapter of Alpha Phi Omega, November 7. The purpose of the combined meeting was to allow both organizations to hear a seminar during Religious Emphasis Week. Dr. Huston Smith, of the philosophy department of Washington University, was the speaker.

Membership of the Ag Club is high this year. It is open to agriculture majors and minors and to those students with a sincere interest in the agriculture of northwest Missouri and southwest Iowa.

## Extension Classes Offer Many Opportunities

(Continued from Page One)  
Grant City, Mr. Myrl D. Long, Physical Science 1b; Mr. George Gaylor, Humanities 1a, King City, Mrs. Marion Lunsford, Music 13 and Music 113.

Maryville, Mr. Elery Gibson, Methods of Teaching Fine Arts in the Elementary School 145; Oregon, Mr. Frank Popplewell, History 50a; Dr. Frank Grube, English 101.

Parnell and Princeton Have Music  
Parnell, Mrs. Marion Lunsford, Music 13 and Music 113; Princeton, Mrs. Charles Shaffner, Music 113.

Richmond, Miss Kathryn Frank, Psychology 120; Mr. Leslie White, Geography 15; Savannah, Mr. Myrl D. Long, Physical Science 1a.

St. Joseph, Mr. G. A. Greene, Music 113; Miss Kathryn Frank, Psychology 120; Tarkio, Mr. William Person, Music 113.

Trenton, Miss Ruth Glazebrook, Geography 108; Mr. Hoagland, Physical Science 1a; Union Star, Mr. George Gaylor, History 50c.

### Peterson-Vaughan

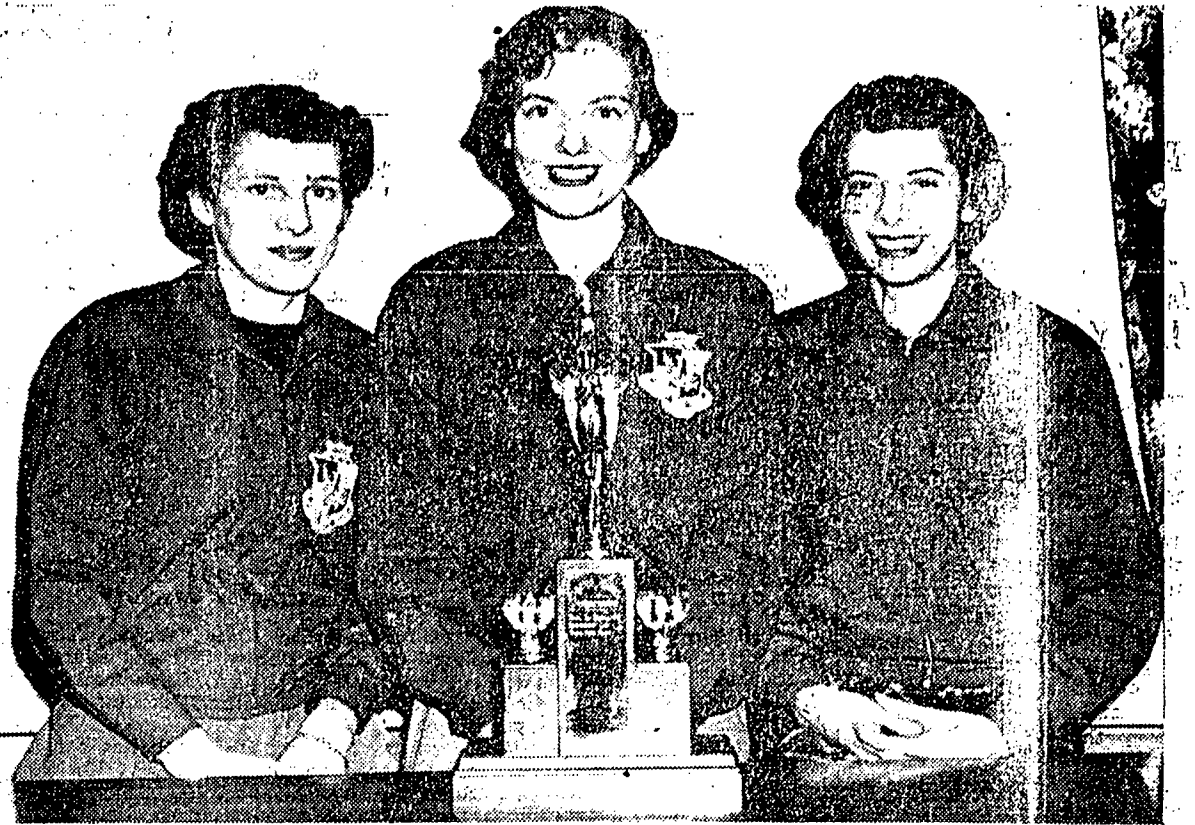

Miss Florence Peterson, daughter of Mr. and Mrs. John B. Peterson, of Hermann, was married to Curtis K. Vaughan in September. Mrs. Vaughan attended school here from 1934 to 1936. The couple are making their home in Norman-dy.

## Alpha Sigmata Pose With Coveted Supremacy Trophy

Always a proud remembrance of the hard tedious work for the Homecoming week end is the Supremacy Trophy. Shown above are the committee chairmen of the Alpha Sigma Alpha sorority which compiled 19.5 points this year to out distance all other organizations in the cup race. Right to left: Jean Long, float chairman; Norrine Norris, Alpha Sig president; Lorla Young, house decorations chairman. Not shown is Sue Condon, variety show skit chairman.

## Religious Emphasis Inspires Students

(Continued from Page One)  
stated that we can know God through Jesus, who came to tell us about God.

### Kuebler Speaks Wednesday

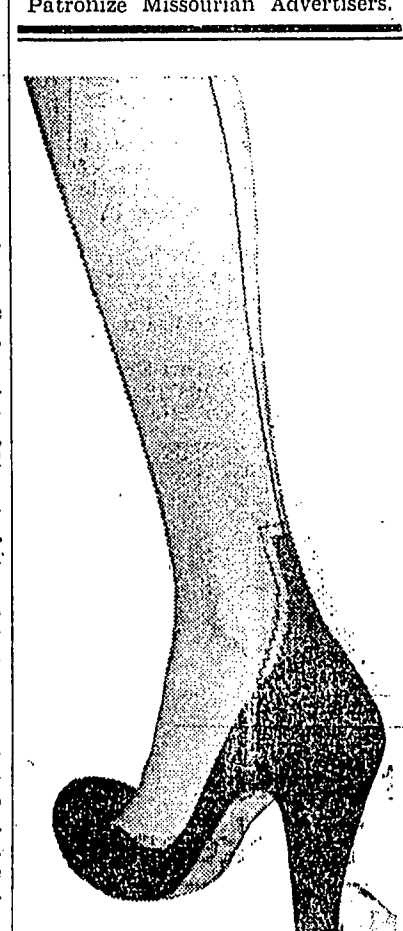

Mr. Harold Kuebler, regional secretary of the Y. M. C. A., spoke Wednesday morning. He voiced his belief that the statement issued by a recent youth conference at Lake Geneva, Wisconsin, could well be applied as a philosophy of life for today's college students. First, we should seek to rediscover and claim the essentials of our own religious faith. Second, we should take an active part in community and world affairs for the betterment of economic and social conditions. Third, we must act and live upon the unshakable conviction that this is the one world made by one God, in which all men are brothers.

Dr. Carl Bracy's subject Thursday morning was "A Dynamic Faith for Today." Dr. Bracy said that if a faith is to be adequate for living in 1950, it must be global, faith, world-embracing in its nature; it must be a faith that is interested in all persons regardless of race or creed; it must be a faith that is adventurous enough to believe that eventually right will conquer evil; and it must be a faith which resolves itself into the lives of every individual. This type of dynamic faith in Christ is a source for creative Christian living.

## Alumni Notes

Mr. and Mrs. W. A. Montgomery, 120 W. Edwards Street, did their part for Homecoming by entertaining several members of the 1925 Champion Football team and their wives. Saturday luncheon guests were Mr. and Mrs. T. C. Search, Chester, Illinois; Mr. and Mrs. Vordie Willoughby, Lexington; Mr. and Mrs. David Eads, Columbia.

Mr. and Mrs. Chuck Graham, Raytown; Mr. and Mrs. Fred King, Columbia; Mr. and Mrs. Warren Hedges, Chanute, Kansas; and Mr. Gordon Joy, St. Joseph.

Also present were Mr. and Mrs. Toel Loran, Chataqua, New York; Mr. Curtis New, Clearmont; and Mr. Eugene Busby, Maryville. Mr. Willoughby poured (coffee)!

Overnight guests were Mr. and Mrs. Search, Mr. and Mrs. Willoughby and Mr. and Mrs. Eads.

Miss Mabel Clair Winburn, secretary to President J. W. Jones, has returned from a two weeks' vacation in the South. While in Shreveport, Louisiana, she visited at the home of Mr. and Mrs. J. S. Urban and son Bill. Mr. Urban is now on the faculty at Centenary College. Mrs. Urban, the former Willard McClintock, attended school here, and Mr. Urban is a graduate of the University of Missouri.

### Sextet Will Entertain Alumni

Members of the Girls' Sextet will appear at the Missouri State Teachers Association in the Hotel Continental Sky Room, Thursday evening, November 16. Members of the sextet are Patricia Burton, Roberta Steel, Helen McDonald, Anita Fink, Arlene Hank, Bonnie Polk and Elaine Hunt with Mary here, and Mr. Urban is a graduate of the University of Missouri.

# New Intramural Commission Plans Interesting Basketball Program

## Popular Event Has Student Attraction

All-Around Participation Is Expected to Exceed Last Year's Number.

## Play Begins in December

Formation of Team Requires Squad Manager; His Duties Establish More Progressive Program.

Intramural basketball will receive the students' focus in the ensuing winter weeks of next quarter. Always a popular organization attraction, the program this year is expected to draw a record breaking number of basketball entrants.

Enthusiasm for the sport is indicated by the fact that any boy can participate in the program. Last year the sport attracted nineteen intramural teams with nearly two hundred participating in the games.

## Urges All to Participate

Varsity men are excluded from this competition, and the opening for participation is offered to anyone who wants to win a trophy, likes to play basketball, or is interested in learning the fundamentals. The range will extend from novices to lettered veterans, and this type of competition always develops a more intense game.

Fundamental structure for the formation of these teams is dependent upon a reliable team manager. Through this manager the Intramural Commission establishes direct contact with each team and thereby can put an effective program into motion. The duties of the manager will be to attend general meetings for determining various technical problems, to be in one of the overall representative groups, and to be responsible for his team's jerseys.

## Let's Go, Men

The Intramural Commission is urging that those who wish to have a team, and those who wish to be on a team, begin plans for that formation so that the program can get an early start. Their hope is that one round of play can be completed before the Christmas vacation.

Teams entered in the tournament are divided into three leagues. Within each league each team is scheduled to play its league-mates twice before final tournament play. Each league, will, more or less, have its individual court, either the main gymnasium, the Horace Mann gymnasium, or the girls' gymnasium in the Administration building.

## Double Round is Planned

Games will be played in rapid fashion this year in order to permit a double round of play. With the expectation of a large entrance, the Commission will be pressed for time and is basing its program upon an early beginning. The climax, of course, comes when the four top teams are selected from each league to participate in the final tournament.

The tournament is run in a double elimination style, with the concluding game being staged between the winners of the losers and the winners' brackets.

For all of the games the national high school rules are followed, but the length of the quarters is seven minutes. Officials are accredited by the intramural and co-regional director from his class of physical education majors taking a course in intramurals.

## Bearcat Cage Games Begin in December

Tentative Home Opponent Is Ft. Leonard Wood; Pittsburgh, Dec. 12.

Coach "Pete" Peterson's Maryville Bearcats begin their cage play within the next three weeks. Already tentative plans are in motion for a home game with Ft. Leonard Wood, the date expected to be either the first or second of December.

First definite home game for Maryville will be against the Pittsburgh Teachers on December 12. Last year it was Pittsburgh that beat the Bearcats in the finals of the Rockhurst tournament and again in a single contest on the Maryville court. The scores were 41-36 and 49-41, two close games.

Main attraction for an incipient beginning is the game with the Cornhuskers from Nebraska University, December 4, at Lincoln. Maryville, as may be expected, has not had much success in obtaining victories against the powerful U. N. men, but the scores have been close enough to incite a determined concern on the part of the Green and its opponents.

For instance, last year the Bearcats were behind only 28-25 at half-time; because of a last minute spurt, however, Nebraska won by a greater margin, 58-39.

St. Benedict's and the Rockhurst Tournament will come December 8 and December 9. St. Benedict's was a comparatively easy foe last year in a resulting 56-35 score in a first game and 51-47 in a second. The Rockhurst tournament this year will have Pittsburg as its defending champion and Maryville as the stout contender.

## ... Random Shots ...

With co-captains Burton Richey and Wilbur Pollard previously presented, this column will mention the remaining senior grid squad members.

Southpaw W. "Dutch" Gresham, has compiled three "M's". The physical education major has played strictly defensive ball and chored in the Maryville secondary. A prospective coach, W. G. remembers the first time he was knocked cold. . . . in all a Rockhurst contest. . . . Ask "Dutch" . . . He'll tell you all about it!

Christian Brothers High of St. Joseph has contributed defensive guard and line-backer Max Hoch-nauer. "Hoch," a physical education major and future coach, is the unexcelled team laugh champion. Max spends his vacations working for the Seitz Packing Company in the home city. . . . He made his working contribution the day he ground up a government metal meat stamper in some sausage and the company was forced to close down. . . . Or could it have been the time he lost a company aluminum meat scoop through the sausage mixer. . . . The all city guard did manage to salvage the scoop handle, however.

Physical education major Morris Wilson, a two year letterman, played fullback on offense and line-backer on defense. The aspiring coach can be remembered as the grider in last year's Homecoming football game who played three different positions in one game. . . . Wilson prepped at Mound City. Big John Hellerich has a triple major in College. . . . social science, history and geography. While attending Lafayette High at St. Joseph, John was an all city tackle and later an all city end. . . . A standout offensive guard, Hellerich works at the Seitz Packing Company during the summer, but reaffirms that Hochenauer's troubles are of his own making.

Towering Gerald "Jerry" Weed, a physical education major, is a two year letterman. "Jerry," a transfer student from Iowa State Teachers College at Cedar Falls, is a big tackle weighing 215. His town is Orient. . . . "Jerry" plans to enter the coaching field following graduation. . . . Towering Ken Jones, Atlantic Iowa's contribution, is the holder of three football letters. . . . Ken, too, is a physical education major and plans to coach. . . . The 6' 5" blond plays end on defense.

Also from Atlantic, Iowa, comes Gaylord "Whitey" Meyers. . . . He is physical education major and an honor student at the College. . . . The offensive guard will apply his major to the coaching game. . . . While at Atlantic "Whitey" was for two years a member of the all state football lineup. He is positive the coldest football bus trip was two years ago when on the ride back from Rockhurst, frost was a half inch thick inside the bus and everyone huddled in full sweat gear and under a pile of blankets. . . .

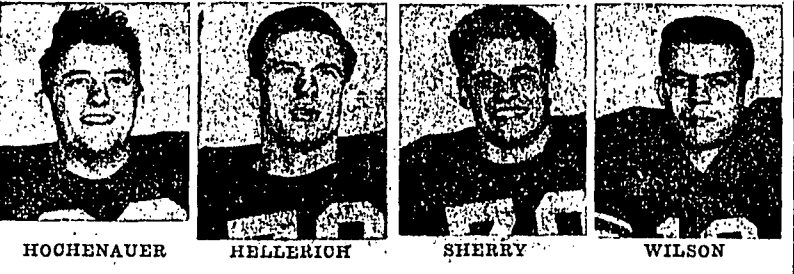

Offensive halfback Walt Stanton recalls the time while on a road trip that he awoke at 5:30 in the morning and when asked by other team members what he was doing he replied, "I'm a little Indian sitting by the campfire protecting you guys from bears". . . . Since then Walt has been "Little Indian". . . . The future coach, working toward a physical education degree, hails from College Springs, Iowa, and was named to the all state 6 man football team.

Receiving an "M" for his work as a bruising offensive back will be Marlin Carey of Elliot in the Hawkeye state. . . . Carey would like to coach and will graduate with a physical education major and geography minor. . . . A big thrill for Marlin was his touchdown jaunt in the Kirkville game. . . . this year.

Kansas City's Joe Gardner has majors of business and physical education. . . . Joe, who is married, plans to teach. . . . A veteran tackle of three years, he likes to recall all the grid buddies, but especially M. O. Hochenauer, M. O. (Bob) Osborne, and M. O. Jones. The "W" Club president wing back Glen Sherry, is the holder of three letters. . . . The St. Joseph aspiring coach has double majors of physical education and industrial arts. . . . Sherry prepped at Lafayette High and feels fortunate in having John Hellerich for a roommate. . . . Hummm. . . .

From Benton High of St. Joseph, and working toward a physical education degree is Bill Sherman. The two year letterman rivals Max Hochenauer in that he works at Dugdale's packing house. . . . The defensive halfback plans to coach. . . . Bill is proud of the fact he has never lost an aluminum sausage scoop through the mixer. . . .

Senior tackle Bob Brandt is a transfer student from Western Illinois State at Macomb. . . . He is married and will coach with his physical education degree. . . . Bob tips 220 and worked in the line on defense. . . .

## Bearcat Team Ties Kirkville Bulldogs

Maryville Tally in Late Fourth Quarter Gives Even 13-13 Score.

Kirkville staved off Maryville attacks to maintain a 13-13 tie in a crucial MIAA contest November 4 on the Bearcats' field. This was the third conference tie for the Bulldogs in five games, and also left Maryville with its former one win, two loss, standing.

Kenny Reynolds, who has been towing the extra points for the Green and White, just missed an opportunity to become a significant member of the squad when his field goal attempt late in the fourth quarter barely skimmed beneath the cross bar of the goal post.

## Kirkville Was Held

Kirkville offensively was held to minimum gains; some, however, were break-away runs which netted the necessary points. Maryville held the Bulldogs to an 88 yard gain on the ground and 61 yards through the air. Meanwhile, Burt Richey was slashing the Kirkville defense with his accurate passing attack. Burt hit ten of the attempted 14 passes giving his team 115 yards gained by that trial.

On the ground Maryville at times seemed untouchable. Special mention should be heeded Marlin Carey, Chuck Graham, and John Yurchak for their outstanding performances.

## Chuck Carries Ball

Chuck carried the ball for a total of 68 yards during the afternoon and scored the first touchdown of the game with a dazzling line smash. His defensive work was also notable and perhaps more significant of his football prowess.

Marlin Carey virtually tallied for the Bearcats by himself when he carried the ball fifty yards in a 72-yard touchdown drive for the tying touchdown. Carey gained an average of three yards per carry in what was probably his greatest football game for the Maryville Bearcats; he was, incidentally, carried off the field in a stretcher in the second period, but then returned in the last quarter for his important runs.

## Yurchak Shows Ability

Carrying the ball from the full-back position for the first time this year, John Yurchak, a junior, showed remarkably well his backfield ability. He broke away for a 54 yard run the first time given the ball.

Defensively, Co-captain Wilbur Pollard led the way for Maryville's impregnable line. Other men such as Mark Burns, Max Hochenauer, George Coulter, and Warren Gresham showed spirited restraint. George Coulter figured strongly in Maryville's successful pass attack. Kirkville then went through a rugged twenty minutes without being able to pick up a first down.

## Bulldogs Knot Score

The Bulldogs finally knotted the score in the second quarter as Jerry Frazier scampered over from the one. The scoring drive had started eight plays earlier on the 31-yard line, but Dowell set up the tally with a 49-yard romp to the Maryville three.

A few plays later Dowell again took the spotlight. He leaped high to snare a pass thrown by Maryville's Burton Richey, and carried 45 yards to lead and a 13-6 Kirkville lead.

## Bearcats Salvage Tie

The Bearcats salvaged a tie in the final canto with a 73-yard play-off drive. Marlin Carey carried over from the two, and Ken Reynolds kicked the all important conversion.

Bad luck continued to plague little Walt Stanton. He collapsed in the dressing room after the game and had to be taken to the St. Francis hospital where he spent the night under observation. He suffered a recurrence of a head injury received last year.

The punting of George Albrecht was something to behold. Twice he boomed out punts over 60 yards and on three different occasions put the ball into coffin corner. He averaged 42.4 yds. for 7 punts.

## Tri Sigs Plan Turkey Trot

The "Turkey Trot" is the next dance on the calendar for the Alpha Epsilon chapter of Sigma Sigma Sigma. The dance will be given in honor of the thirty-one pledges. The date is November 18 and the place is Room 114. Mary Marie Schulke is general chairman and Betty Ann Wilson is food chairman.

to obtain a victory, the tie was sufficient to give them retention of the Stick for another year.

## Maryville Says: "Beat Us First to Get Stick Back!"

A traditional Hickory Stick, established by Dr. Uel W. Lamkin, former President of the College, is being presented to the co-captains of the 1950 Maryville football team, Burt Richey and Wilbur Pollard, by the President, Dr. J. W. Jones. Although the Bearcats failed to win the contest, the tie was not conducive enough to permit the Bulldogs to carry the Stick back to Kirkville.

## Maryville Varsity Basketball Cagers Under Coach Don Peterson Are Adopting New Style

### All Ye Guys and Gals Jump in the "Groove"

Come, all ye guys and gals, get in the "groove." Join the crowds of people who will be going to Co-Rec nights down at the main gym. Co-Rec night will be held every Tuesday and Thursday from 7 to 9:30 p. m. Plans this year are made for a bigger and better Co-Recreation program than there has been in the past. You can participate in all your favorite sports: mixed volleyball ball, ping pong, deck tennis, golf, swimming, badminton, tennis, darts, shuffle-board, and dancin' if desired.

Competitive tournaments will be held during the winter and spring quarters. Mixed doubles will be scheduled in all minor sports and mixed teams in volleyball. Time to be getting a partner!

Come and bring your dates, and if you don't have a date you might have one before the evening is over. Join in the fun and support your Co-Recreation program for this year.

The Co-Rec committee is composed of George Hawes, chairman, Robert Stuck, Stan Ogden, William Hopper, Maurice Flannigan, Robert Berry, Sarabel Davis, Jo Magnuson, Shirley Clark, and Shirley Collier.

### H. McFadin Takes First Place in Tennis Tourney

Hugh Bert McFadin captured first place in the fall tennis tournament with an undefeated record for four games. He defeated Cal Goedres in the final match, 6-3 and 6-2, for undisputed championship. Beginning September 25 the tournament had lasted into the middle of October. Sherman, Qualls, McFadin, Springer, Davis, Doney, McFadin, Lowe, Laurin, Phillips, Lewis, and Goedres were the entrants for the popular classic.

Bill Sherman, Bert McFadin, Leiland Springer, Jim Laurin, and Cal Goedres emerged triumphant for the quarter final battle. In the only game of this stage McFadin downed Sherman decisively 6-3 and 6-1 to meet Springer in the semi-final contest.

In this battle the eventual winner easily overpowered his challenger 6-2 and 6-1 for the meeting with Goedres who had won his semi-final clash through a forfeit. Interested in promoting the sport of tennis is the sponsor of the tourney, Dr. Frank Grube. Through his efforts tournaments have been established.

### Returning Lettermen Are Key Men; Others Show Starting Promise.

Now that the curtain has been rung down on football, the interest of the sport's enthusiast turns to the "hardwood" sport. Actually, the basketball season is no new thing for Coach Don Peterson's Bearcats because the first varsity basketball ball was issued on October 15. Varsity footballers who have not been seeing much action have attended practice sessions since November 6 and the remainder of the team aspirants from football will join the squad on November 13.

Among those players who have been in practice for some time, veterans "Slim" Tanner, Dick Buckridge and "Chuck" Ramsey have been impressive. Another holdover from last season, Kirby Lyle, who has been out for three weeks with an ankle injury is expected to be able to start attending practice again soon. Newcomers who have looked good so far are George Nathan, James Laurin, William Norton, Bob Dooney, and Bill Stephenson. Coach Peterson said that he expects eventually to cut his squad to twenty men, of which only fifteen will suit up for games.

### New Style Will Be Used

Followers of this year's Bearcat quintet are going to be treated to a completely different style of basketball than was played here last season. "This year keep your 'eyes peeled' at all times for the spectacular type of attack, coming, perhaps, in the form of a long shot from far out or a quick dash down the court for the field goal attempt. Coach Don Peterson's basketball philosophy is "nothing ventured, nothing gained," meaning that fans are going to get to see a quick, fast style of play.

On the other hand, last year's team used the slow, deliberate, controlled-ball type of offense inaugurated by Henry Iba. In other

## Warrensburg Whips Milner's Bearcats

Scoring Attack Reaches Climax for Two Last Quarter Tallyes.

STATISTICS		
	W	M
First downs	17	11
Net yards rushing	316	157
Passes attempted	11	15
Passes completed	7	8
Pass yardage	133	138
Passes intercepted by	1	0
Punting average	36.6	30.6
Yards lost by punting	36	15

Warrensburg hit the Maryville Bearcats hard on the Mule field to down them 32-19 before a crowd of 3,500, November 10.

It was the last game of the season for Maryville. They finished the campaign with a below-average of three wins, one tie, and five losses.

Maryville scored first with six minutes gone in the first quarter on a 45-yard touchdown pass from Burton Richey to George Coulter. Ken Reynolds' attempt at a conversion was blocked.

Later in the period, Kelly Meyers capped a 70-yard Warrensburg march by carrying over from the seven. John Hellerich blocked Gieringer's conversion kick, and the score stood at 6-6 at the end of the first canto.

Dick Volkmer, a standout on offense all afternoon, passed 46 yards to Earl Thompson for the Mules' second touchdown early in the second quarter. The conversion kick was no good, and the Mules led, 12-6.

The Bearcats failed twice in the same period, the first TD coming after an 80-yard offensive sparring by Chuck Graham, Paw. Tobin and Glenn Sherry. Graham kicked over from the 11. Reynolds' career was good.

A bit of razzle-dazzle paid off in another Bearcat score as the half-time gun was fired. Richey handed off to Graham. Graham later-ally back to Richey who pitched a 60-yard pass to Marlin Carey in the end zone, and the Bearcats had a 19-12 margin at the half.

Warrensburg tied it up in the third quarter when Meyer passed to Ken Webster in the end zone and Gieringer converted.

In the fourth quarter, after a fumble by Maryville's Carey, Meyers went over from the 11 for the winning TD. The conversion kick was wide.

The Mules added 62 extra tally with only 30 seconds left to play on a pass from Dorsey Lightner to Earl Thompson, Kenny Webster converted.

Miss Hyster Goes to Warrensburg Miss Doris Hyster, physical education department, accompanied the cheerleaders to the game at Warrensburg.

### cond place tie with Warrensburg.

All right, fans, when December 1 rolls around let's get out and watch this flashy new Bearcat basketball edition "bring home the bacon."

## A Salute to Mr. Bert Raines, Official College Timekeeper

Mr. H. L. Raines won't be the official timekeeper for Northwest Missouri State's basketball games anymore. He has resigned his position so that in the future he can "enjoy the games from a spectator's seat."

Bert Raines served as timekeeper for the first organized Maryville basketball team. He also timed the first track meet and the football games for a number of years.

"These events are among my most cherished memories," says the Jeweler who has had four daughters attend the College. "Be assured of my continued interest and pride in our College."

As yet no substitute has been found to replace the grand old man. The job is hard, a lot of work, and the recipient of much criticism, both good and bad.

To Mr. H. L. Raines, we of the College give a salute—for services well-rendered.

### Dean Brandenburg Gives Talk

Dean W. A. Brandenburg spoke to the freshmen orientation class Wednesday afternoon, November 8. He discussed the importance of choosing satisfactory patterns for living.
